Replacing the stale smell of excess with the  
sweet smell of success, Peter Townshend, who, like  
everybody is a super duper. Those who know how many  
beans make five get Heinz beans inside and outside at  
every opportunity. Get saucy.  
This way to a cowboy's breakfast. Dairy  
rides again. Thanks. Thanks to Heinz Baked Beans  
One out of ten stars, needs it. Face the music with  
Odorono, the all-day deodorant that keeps perspira-  
tion into inspiration.
