### Foreword

Peace, and all it means—at long last. May the discoveries and developments of wartime research be made available soon for civilian use. May research in all branches of science be continued at the same tempo.

With the opening of school ,we again list available Educational Recordings. More and more teachers and parents are taking advantage of this storehouse of outstanding examples of the Arts. A glance at the headings will show you the range of material offered.

#### STUDENT MUSIC LIBRARY

Columbia brings to the homes of music students, recorded performances of the actual repertoire they are studying as played by some of the finest artists of our day. These records designed as a guide and source of improvement for student musicians, also offer to the general musical lover a firm basis for a library of recorded masterpieces. By using the Columbia Student Music Library, the aspiring instrumentalist can measure his own talent and musicianship.
