Foreword

Children's records are featured this month as a reminder to parents and friends that Christmas is on the way and that records make enjoyable gifts with lasting appeal. Just see how quickly you can tick off the names on your shopping list with this issue of our Supplement.

Among the highlights in the domestic field this month are a new recording of Tchaikovsky's Fifth Symphony, Wanada Landowska and Yehudi Menuhin in a Bach Sonata and Ibert's Escales.

Opera lovers will be interested in the four new operatic records.

Available Don Cossack recordings are shown as well as an additional group of Spirituals.
